

In a world that never stops,
you deserve a place that slows
with you. A home where mornings
begin in calm light, art stirs
your imagination, neighbors become
friends, and every gathering feels
like a celebration.
Here, life doesn't pull you apart,
it brings you back to yourself.

Welcome to HQ Residences
in Edgewater.
Crafted for a Life in Balance.

From Garden Homes to Sky Residences and the Penthouse Collection, each of the 229 residences is thoughtfully shaped by light and flow. Floor-to-ceiling windows draw in natural light and frame sweeping views of Biscayne Bay, the skyline, and glowing western sunsets, while expansive balconies extend living spaces outward.

Luminous, meticulously composed interiors rise with ceilings from 9 to 12 feet, and up to 16 feet in the penthouses, creating a rare sense of openness and ease.

A New Landmark for Miami Living

HQ Residences Miami rises 35 stories above Edgewater. A signature diagrid façade by Arquitectonica sculpts light and movement, redefining modern living through Wellness, Design, and Entertainment — suspended between city and bay.
